From the New York Dispatch, Oct. 1, 1859. Soverthing for the Ladies -A new invention has recently appeared, which although useful to everybody , is specially claimed by the Ladies, as being exactly soited to their wants and requirements. They are delighted with Spalding's Prepared Glue. It brings up no disagree, ble associations of sticky glue pots and at flog oders, but is merely a clear transpurent liquid, in a pretty little bottle, with a small accompanying brush, fit to stand on the daintiest toriet table in all the land, with cologue and China trifles. And so useful it proves, too, if any accident happens to the ten thousand little kuick-knacks that ladies delight in. No sending to the manufacturer for repairs, at an expense scarcely less than would attend the purchase of a new article. A few of the Crystal drops, skillfully applied by fair fingers, will set all right. For furniture, for work boxes, for books, for everything, it is a perfect little family physician The amount of money that one of these builtes am save in a month, would seem al nest incredible, and Ladies rely on their Prepared Gine as a sort of a magician that can effect everything. And they know, too. When any article of domestic form meets the enthusiast c sanction at their hands that Spalding's Prepared Glue has received, you may be pretty sure the something worth having on your closet shelf.

STONE MOUNTAIN, Jan. 9th, 1860. Meisrs. Clark & Fuller-Gent: My wife was very mach officted with scaly tetter on her feet and hands and after trying one of the best physicians in the country, and finsing no relief, she, by chance, got hold of one bottle of your Ambrosial Oil, and found so much relief that I ordered two dozen bettles from you at Nashville, some three months since, and the use of three or four bottles has made a complete cure of the disease. She was almost past going about when she used the first bottle. I have sold all I bought, and want more. I am in business at this place, and think I can sell a good deal of the medicine. You will please send me three dozen bottles, and I will remit by return mail. Send it by express to me at Stone Mountain, DeKalb county, Ga. Yours, Respectfully,

TISM, MERCURIAL CONSEQUENCES, INTER-MITTENT FEVERS, NEURALGIA, CHRONIC HEADACHES, FEMALE WEAKNESS, MIS-MENSTRUATION. WHITES, CHLOROSIS, etc., PIMPLES ON THE FACE, ROUGHNESS OF THE SKIN, etc.

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence. The experience of thousands daily proves that

no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use. As a grand stomachic and general restorative it has no superior and no substitute.
